

Chem 269, Fall, 2007

Lecture, Quiz, and OWL Schedule

Lectures and Quizzes will be given on Thur at 8:25 in Goessman-64 (the Sept 6 lecture will begin at 8:00). The deadline for Prelab OWL assignments is 11:59 PM on the day before your lab period - no exceptions, no extensions, no partial credit. The deadline for Postlab OWL assignments is 11:59 PM on the day that report is due (i.e., usually one week after doing that experiment).

A mandatory OWL assignment on Safety and Waste Disposal will be due the day before your first lab period, along with the OWL assignment on Distillation.

YOU WILL NOT BE ALLOWED TO WORK IN THE LAB UNTIL THE SAFETY AND WASTE DISPOSAL OWL ASSIGNMENT IS SUCCESSFULLY COMPLETED.

Sept 6	Introduction, Discussion of Handouts and Course Policies (8:00 Lecture)	
Sept 13	Distillation	(2 Prelab, 1 Postlab OWL)
